PROFESSIONAL EXPERIENCE

Senior Executive, Digital Marketing
Jul 2025 - Present

Transganization Creation Pvt Ltd | Mumbai

- Architect and execute 360-degree digital marketing strategy across LinkedIn, Instagram, Facebook and YouTube, growing company LinkedIn page by 57% and achieving average post reach of 700-1,000 views with a peak of 5,000+ views on a single post.
- Built and deployed an AI calling agent using Retell AI for lead generation, feeding target audience data to autonomously call prospects and book discovery calls, directly supporting the sales pipeline.
- Set up and managed automated email course sequences on Brevo, building drip workflows to nurture and engage subscribers through structured learning journeys.
- Own end-to-end marketing for monthly executive webinar series and LinkedIn Live sessions: pre-event promotions across WhatsApp and social, achieving a 17% WhatsApp campaign conversion rate and consistently driving 80-90 attendees per session.
- Conceptualise, write end-to-end content and coordinate design for the company monthly digital magazine, distributed to 300+ business leaders across online and offline channels.
- Drive full-funnel marketing for corporate leadership programs: prospect outreach, business proposal creation, commercial documentation, CRM pipeline updates on Zoho Bigin and enrollment dashboards.
- Lead new website go-live project with external agency including VPS server configuration, Node.js installation and DNS setup; independently developed 3 production-ready web pages and manage ongoing site SEO and content.
- Administer company LMS end-to-end: designing course architecture and building multiple learning programs; grew Founder LinkedIn page by 50% through coordinated thought leadership content.
- Leverage AI tools including HeyGen, Retell AI, Claude, Genspark, Perplexity and generative AI platforms to accelerate content production and automate workflows.

Management Trainee, Digital Marketing
Apr 2024 - Sep 2024

BJW Health Private Limited (formerly Humankind Health and Hygiene Pvt Ltd) | Mumbai

- Conducted competitive analysis of 5 healthcare apps and led 50+ qualitative interviews with doctors and therapy centres, contributing to a 20% increase in app registrations.
- Managed social media strategy (+15% engagement), email campaigns via Mailchimp (1,000+ audience), SEO via SEMrush (+25% engagement) and promotional video content (+30% completion rate).

Marketing Intern
Feb 2024 - Mar 2024

Bombay Fries | Mumbai

- Executed multi-channel social media campaigns (+20% brand visibility), designed promotional creatives and optimised email marketing workflows for improved ROI.
